Club Policies & Procedures

General Playing Rules

Royal Canadian Golf Association rules of play govern except where local rules as indicated on the scorecard, or posted on the golf course, shall apply.

Starting Times for Golf

Full Members may book either by phone, on-line or in person. Each member is only able to book 1 tee-time. Full Members may book tee-times 7 days in advance of any weekday. (East Course Full Members should advise the Pro Shop of their preferred week-end tee time early in the season. We will do our best to accommodate it as close as possible –this will become your weekend tee-time for the season.) Otherwise you may book a weekend tee-time on the previous Friday. Weekend tee sheets are done 8 days ahead so your time can be confirmed on Saturday for the following weekend. Also, this will give you the opportunity to inform us if you can't play the following weekend-this is very important because it will allow us ample time to adjust the tee-sheets and accommodate more players. All players must register in Pro Shop prior to tee-time. Please call if you will be late. Your group will proceed without you.

Weekday & Junior Members may book tee-times 7 days in advance of any weekday.

Dress Code

Acceptable Golf Course Attire

Golfers must be properly attired at all times. Shirts with collars, turtlenecks and mock turtlenecks are acceptable. Bermuda style or shorts of a respectable length are acceptable. Ladies: Golf skirts, skorts and tailored pants may be worn. Men & Ladies: Tailored denim jeans (providing they are clean, unpatched, and untornd) are acceptable. Approved spikeless golf shoes or any other flat athletic shoes are acceptable.

Unacceptable

Mesh shirts, muscle shirts, any attire with offensive writing or graphics is not permitted. For ladies, halter tops and tube tops are similarly inappropriate. Gym shorts or cut-offs, track and sweat suits are inappropriate. Absolutely no soccer or baseball shoes allowed.

Code of Conduct

In everyone's best interest, and to maintain an environment of Fair Play, Victoria Park Golf Club expects all members to abide by the common-sense etiquette that is typical of the sport of golf. Our professional staff will gladly answer any questions, or provide guidance, regarding etiquette and the basic rules of golf - if you are unsure, please ask!

Any member whose conduct is considered by Management to be unbecoming, who willfully commits a breach or violation of any policies of the club may be expelled from membership. The member shall be provided with written notice of the conduct or circumstances and will be given an opportunity to respond. Any member who engages in behavior that is likely to result in property or equipment damage, or endanger the safety of its employees, members or guests, will be expelled immediately and will not be entitled to a refund or credit of membership fees.

Practice Policy

In order to keep our golf course in the best condition possible throughout the golf season, practicing on the golf course is prohibited. Our practice facilities are available for your use.

Hole-in One Insurance

All Adult Members will contribute an annual fee to the Hole-in-One Insurance fund, as part of their Membership. The fund was established to provide a drink, alcohol or otherwise, to members **who are present at the golf course when a member gets a hole-in-one**. You may claim one drink per hole-in-one: regular domestic 355 ml can of beer, one regular glass of domestic non-premium draught beer, one mixed drink of a regular bar shot of alcohol, one 6-oz glass of wine, or one soft drink. Please obtain a special Hole-in-One ticket from the pro shop, and these tickets can be redeemed in the Clubhouse (not from the beverage cart) *only on the day of the hole-in-one*.

Membership Payment

Victoria Park offers several options for payment. All membership payments must be submitted and complete by June 15th. Any outstanding membership amounts after this date will be considered in arrears, subject to interest charges, and may result in suspension of golfing privileges if arrangements are not concluded with the Office.

Member Account Charges & Payments

Members at Victoria Park Golf Club have the benefit of charging Pro Shop purchases, guest green fees, range tokens, power cart rental fees, or food and beverage items, to their personal account. It is the Member's responsibility to sign a receipt for all charges prior to leaving the Pro Shop or Golfers Lounge. Entry fees for tournaments or other member events are permitted as chargeable items. Winnings from Field Days and weekly League Days will no longer appear as credits on member's accounts. These winnings will be tracked manually by Pro Shop staff and can be applied to Pro Shop purchases, guest green fees, range tokens and power cart rentals. Winnings are good for the current calendar year only, and cannot be carried over to the following season. Monthly statements will be emailed out to members (or available for pickup in the Pro Shop) with a non-zero balance, on or about the 10th of each month. Full payment of all charges to accounts are due by the end of the following month. Outstanding balances are subject to interest charges of 2% per month. Any discrepancies should be reported to the Office Manager.

Refund Policy

Victoria Park Golf Club will refund the amount of membership paid under the following conditions:

- 1) grace period – no golf is played between start of season and April 30th
- 2) the member is relocating to a distance of beyond 100 km radius from the golf course
- 3) the member sustains an injury/illness, with no chance of return to golf during the season and provides medical documentation to that effect. ****Important: Please notify us immediately if your injury causes you to suspend golfing.****
- 4) the member becomes deceased.

Refunds will be issued in the following manner:

- a) from the start of the golf season to April 30th (grace period) if no golf is played, a full refund minus the \$100 administration fee will be issued
- b) from the start of the golf season to April 30th if rounds are played, we will multiply the number of rounds by the regular public green fee rate, plus the \$100 administration fee and subtract from the membership fee paid, or added to the deposit if the amount is in excess.
- c) from the start of the golf season to July 30th we will multiply the total number of rounds played by \$30 for full members, or by \$25 for weekday members plus \$100 administration fee and then subtract from the golf portion of the membership fee.

No monetary refunds will be issued after July 30th.

Refund Policy (continued)

Extenuating circumstances: After July 30, the refund amount will be applied to either the next season's membership, or converted into game cards. Please note that membership privileges and services are forfeit if the game card option is chosen.

With the exception of (a) above, the refund will be on the golf portion of the membership only. No refunds will be given on additional services such as club storage, lockers etc.

Change of Membership Classification

Members wishing to change from one type of membership to another should first check with Management to ensure space is available in another category. Victoria Park East will do its best to accommodate these changes.
