## Golf Course Maintenance

Do you enjoy playing golf?

Would you like to work outdoors experiencing the natural environment?

Do you want to be an important member of a family run business?

You should consider working maintenance on a golf course!

Victoria Park East and Valley Golf Clubs are looking for full and part time team members to assist in all aspects of golf course maintenance.

Tasks include:

- Course set up
- Mowing playing surfaces
- General landscaping and course clean up

Work season

Full Time Seasonal – end of April – November

Full Time Student – full time end of April – end of August and part time Sept – Oct

Part Time – flexible part time hours throughout the year

\*Part time weekend work is required for all positions

Due to the 6:00am start time, having reliable transportation is necessary.

Starting wages for seasonal employees is \$15.50/hr. Discounted food, merchandise, and golfing privileges are also included.

Thanks for considering the grounds crew for summer employment. It can be a great opportunity to learn new skills, have fun and meet new people.

Sincerely,

David DeCorso

Golf Course Superintendent and General Manager
