Ladies Clinics

The clinics are comprised of four one-hour sessions, geared towards beginner to intermediate golfers, focusing on the basics of grip, stance and posture, then moving on to the full swing, chipping, putting and sand play. The sessions will conclude with basic strategy and etiquette. Be prepared for some smiles of success, and some laughter at the mis-cues!

These clinics are a great introduction to golf, not only to make learning the game easier, but also to meet others that are new to the game.

Each 4-week session is \$130.00 plus HST
