Dinner Specials/Ladies League Tee Times

- ◆ Dinner specials for Ladies League will be offered on Wednesday evenings. Dinner specials will be communicated in the weekly email sent.
- ◆ In order to accommodate more times for league members, we are blocking a selection of times for ladies league reservations on Thursday afternoons/evenings in addition to Wednesday. Unused times will be opened to public play and exact times are to be determined based on demand. League rounds can still be played outside these times, anytime Monday to Saturday.
- ◆ **League Play will begin Monday May 6th.**
- ◆ Each week an email will be sent out with pertinent information for the upcoming weeks.

Ladies League Spring Clinics

For 2025 we will be offering a selection of **free clinics** as a way to meet other League members and organize new groups. These informal sessions will take place on the practice facility and will be geared towards newer players who are looking for help with golf fundamentals and etiquette. This is a great opportunity for newer League members who are looking for others to join weekly on the golf course.

Dates : Wednesday May 6th ; Thursday May 7th;
Wednesday May 13th; Thursday May 14th

6pm sessions available on each date. To sign up, please email kim@victoriaparkvalley.com.

Record Keeping: You are responsible for totalling your score and marking Birdies in the proper places.

After each 9-hole League round, your completed scorecard must be handed in to the Pro Shop.

Please include your **full name (printed neatly!)**.

In addition, please tell the person who takes your score card, and anyone else you wish to brag to, if you got a hole in one!

We will again have the birdie tree for the 2026 season which will be posted in the ladies room downstairs in the clubhouse. If you make a birdie during your league round, you can post a "birdie" with your details on the tree.

*There will be certain weeks with special formats when the birdie tree will not be in play. If you are a new golfer (or having a bad round), please pick up your ball once you have reached double par. Enjoyment of the game and steady improvement are important goals as you play golf!

Remember, if you play 18 holes, you can only record stats for the first 9 holes.

BOOKING TEE TIMES AND CHECK-IN PROCEDURE

Booking - We will require all league participants to pre-book their tee times each week. This will be available 7 days in advance by booking online or calling the Golf Shop at 519 821-1441.

- When you book a tee time, you commit to attend and play at that time. Our booking system will send you a "reminder email" 48 hours before (as long as we have your email address in our system). If you must cancel, please notify the Golf Shop by phone at least 24 hours prior to the tee time.

We understand that weather can be a factor, emergencies can happen, or situations arise that are out of your control that may cause you to miss your time. In those instances, we still require a phone call.

We will ask each player who books a time to have a profile in our system.

Once your profile is set up, this will help streamline this procedure for future bookings.

For public players, we will require a credit card number on file to hold a reservation.

Online Booking - We will be setting up all league players again to book online into league tee times. More specific instructions will be emailed out to all league players the week before the start of the league.

Pre-Paid Game Card Packages

Once again, Golf Discount Packs are available to purchase. These discount packs allow you take advantage of reduced green fees and to share them with friends and family. The tickets are valid throughout the 2026 season, and expire on May 31st 2027. They will be available for purchase at the golf course, and at our opening night on April 29th.

League Formats for 2026 and Notes

Again for 2026, we will have a specialty format/game every other week of the league with rules being sent out at the beginning of the week and also posted in the Golf Shop. Please remember that these formats are optional, and there is **no pressure** to play the 'game of the week'. If you choose not to participate in the weekly game, you can still hand in your scorecard for "participation points" which is tracked through the league season.

I will be tracking participation during all weeks, so be sure to hand in your scorecard each week for a chance to win a prize! If you have any questions throughout the season, please don't hesitate to reach out to me, or ask our golf shop staff for assistance. I am looking forward to another great season of great golf and even better company on the course!
