

Ladies League Week One Write Up

Hello Ladies!

For those I have not yet had the pleasure of meeting, my name is Kim Srigley. I am one of the managers at the Valley and work alongside Annette and Louise to help organize the Ladies League each year. I would like to warmly welcome you all to the 2026 Ladies League season. We are thrilled to share that this is another record-breaking year for registrations, and it's wonderful to see such a strong and growing community.

Our season will officially begin on Monday, May 4th, and we are looking forward to getting started. Throughout the season, you are welcome to play any day of the week that suits your schedule, with the exception of Sundays, as that is when scoring will be completed. Each week, please remember to submit your scorecard to the drop box located on table inside the front doors. I will be counting scores for for 9 holes, or your front 9 if you choose to play 18 holes. To add a bit of variety and fun, we will be introducing optional games or themes every two weeks. Participation in these is completely optional, so if you prefer, you can simply enjoy your regular round and it will still count toward your weekly participation.

In terms of communication, we will be making a small change this year. Due to email delivery issues in the past, we will be using a landing page on our website to post all weekly updates and important information. We are also working on implementing an additional communication system that will help avoid these issues, and I will keep you updated as that becomes available. Of course, if you ever have questions, you are always welcome to reach out to me directly by email. As part of our weekly offerings, we will continue to host Wednesday night meal specials, with details and pricing posted alongside the weekly updates on the website. If you plan to purchase a meal, please be sure to do so before your round so our chef can prepare the appropriate number of orders.

Finally, I would like to extend a sincere thank you to everyone who contributes to making this league such a success. Annette and Ben provide oversight of all food and beverage, while Louise continues to be a valued leader after many years of dedication. We are grateful to all food and beverage staff at East and Valley, as well as Jim for organizing marshals and tee times. Our marshals play an important role in course management, and our pro shop and back shop staff ensure everything runs smoothly with check-ins and carts. A special thank you also goes to Chef Tony, Steve, and Tom for the wonderful meals they provide for opening night, our banquet, and throughout the season.

We are looking forward to a fantastic season with all of you and can't wait to see everyone out on the course.

Also, a big congratulations goes out to Shelley White who is the winner of the opening night 50/50 draw!!! Shelley you can pick up your winnings from me the next time you are at the valley!!!

Week One Details:

This week, we'll be kicking off the season with a participation round, with the birdie board in play to get things started. Please remember to drop off your scorecards in the league drop box after your round. Also, this week's Wednesday night meal special will be Lasagna for **\$18.95+HST.**

Warm regards,
Kim Srigley
